

Additional short term ideas that would enhance community in Johnson:

- Light the adjacent recreation fields to extend the usefulness of these public amenities,
- Make the Talc Mill property an "open-air" gallery for contemporary outdoor sculpture.

Building currently used for a food shelf redevelops as a new "Johnson Welcome Center" with Public Restrooms and Picnic Area

New access for non-motorized craft

Distillery/Food Processing

Brewery

Tasting Hall

Events and Dining

Food Trucks line up here
