Solid Waste Management Program**

Town of Johnson Closed Landfill
944 Wilson Rd. Johnson, Vermont 05656

The public is hereby notified that the Vermont Agency of Natural Resources (ANR) has issued a draft post-closure certification for the Town of Johnson closed landfill, located off of Wilson Road in Johnson, VT. The application was submitted in accordance with the Solid Waste Management Rules, effective 02/15/12 and have been found to comply with said rules.

Copies of the application and draft certification are available for public inspection during normal business hours at the Solid Waste Management Program (SWMP) office located at 1 National Life Drive, Montpelier, VT and at the Johnson town offices.

The SWMP intends to issue a final certification for this facility at the conclusion of this public comment period. There will be no public informational meetings convened, unless the SWMP receives a written request for such a meeting, along with a request for an extension of the comment period, signed by at least twenty-five (25) Johnson residents, or the Johnson Selectboard, the Lamoille Regional Solid Waste Management District or by any abutting landowner or resident. These requests must be received by the SWMP by the end of this comment period.

Comments regarding these draft certifications will be accepted until 4pm on 8/19/2016. ANR's response to written public comments and the final certifications, incorporating any related changes, if/when issued, will be made available for review at the SWMP offices and the Johnson town offices.

Comments regarding the applications and draft certification should be directed to:
