

Notice of Johnson Historical Society (JHS) Membership Drive! Do you love Johnson? Do you want to support an organization dedicated to preserving, recording our history and offering programs about that rich history and culture? Want to support the ongoing collection of Johnson's important artifacts, documents and pictures and the Holcomb House where those items are displayed for the public? Then please consider becoming a member of the Johnson Historical Society annually. It's easy to join, just download a membership form from the town webpage at: www.townofJohnson.com, or send a request for the form to: johnsonhs@myfairpoint.net or contact Alice Whiting at whitingag@myfairpoint.net.

Never been to visit the Holcomb House, the home of JHS? Stop by Thursday mornings or Sunday afternoons to view our wonderful exhibits and pick up a membership form at the same time. You'll be glad you did!

If you want to support JHS beyond the basic level of annual membership, please consider a donation to the Capital Fund or including Johnson Historical Society in your planned giving or estate planning considerations.

And don't forget that we are raffling an original Georgia Balch painting! This is a beautiful painting of a river scene by a famed local artist. Tickets are \$10.00 and can be obtained from any Historical Society Board member (you can respond to this posting too)

Thanks for your support for this important organization!
