#### Program/Projects:

\* The Jubilee is scheduled for December 6<sup>th</sup> from 4 to 7 PM. The Holcomb House will be opened for visitors with Mary Jean doing the *around the tree readings*. She will ask Carolyn Smith to help her. Volunteer cookie bakers are Linda, Alice, Aggie, and Kelly. Lois will provide the spiced apple cider. Dick, Linda and Lois will cover the hosting duties.

\* There will be no other program in December.

\*Trail Building Project is on a temporary hold as Walter Pomroy has stepped down from his leadership role. Other volunteers are following-up.

\*Road naming: The question was asked – Should the JHS take a more active role in naming the roads in Johnson? Earlier requests by the Select Board had no clear role for the JHS Trustees. The need for participation was created with the adoption of the 911 road naming ordinance. It was decided that JHS trustees should draft our role statement and submit it to the Select Board. **Duncan will chair the committee with Mary Jean, Lois and Tom.**

\*Sunday Talks: What's Next: The program *to do* list includes: 1) The Red Hooper slide show is not ready yet; but it is anticipated that a larger venue (maybe Lowe Lecture Hall) will be needed so Spring would be a good time for it. 2) Dean received a request from the Elementary School to conduct a historical walk in the village. Someone from the school will follow-up with him. 3) Highlight hidden treasures at the Holcomb House. 4) Johnson Schools. **It was decided to have a committee to establish a program schedule, chaired by Alice with Kelly and Linda.**
