

JOHNSON TREE BOARD
Meeting Minutes

DATE: August 23, 2017

TIME: 6:30 p.m.

LOCATION: Sterling Market

Present: Sue Lovering, Rob Maynard, Noel Dodge, Dorcas Jones

Absent: Louise von Weise

This was mainly a working meeting to continue with maintenance on various items.

A request for pruning the birch tree in front of the Sterling Market had been received. This was done with similar work plus weeding on several trees in that area and across the street.

The condition of the various trees to the east on the south side of Main Street up to Rte 100C was inspected. This included the Japanese lilac in front of the Downtown Pub – a dose of liquid fertilizer was given here in an attempt to improve its health.

We discussed a possible location for the donated crabapple tree at the corner of Main Street and McCuin Drive. Unfortunately, there was a considerable amount of trash that had been dumped there recently.

Adjourned at 8:00 p.m.

The next meeting will be September 20, 2017 – location TBA
