

Library Minutes

12/17/14

Present: Jane Nuse, Robert Schulz, JoAnn Benford, Jessica Bickford, Jeanne Engel, Stacey Waterman

Old Business:

Studio Center donated a door for the downstairs room. It needs some hinges and a knob. Jeanne will check w/ Brian to see if it will work in the space and how much it will cost to have it installed.

Jeanne reports broken windows are in process of being replaced. There are also windows in the basement that need to be replaced. Jeanne will ask Brian about these also.

Yoga program is finished. There is \$150 left over. Jeanne is hoping for another grant from Copley to fund this program again in the future.

New Business:

Laraway School has a MLK Volunteer day. They asked if the library could use some help. Painting might be something they could do.

Survey results were printed out and discussed. We only had 24 responses. We discussed other ideas for getting the survey to more people.

There was a discussion on the budget for next year and to firm up some of the numbers.

Meeting adjourned at 7:15.

Respectfully submitted,
Jane Nuse
