Stay Informed about Utility & Local Emergencies: Sign Up for VT Alerts!

When there are urgent matters related to utility and local emergencies, the best way to receive notices and the most up-to-date information is through VT Alerts. In order to keep Johnson residents informed about events such as water leaks, boil water orders, and large scale power outages, local municipal officials have found VT Alerts to be the most effective way to supply information directly. Other tools such as the municipal website, Facebook, and Front Porch Forum are also used, but with VT Alerts, you will proactively be sent a message.

Vermont Emergency Management operates VT Alert as a mean of reaching Vermonters directly via their cell phones, email, or home phones. The system allows users to choose which alerts they receive, how to receive them, and for which specific geographic area. The Village strongly encourages you to sign up for VT Alerts so you receive important local information as quickly as possible. To sign up, go to <https://vem.vermont.gov/vtalert>

Village Utility Payments

The Village understands that for many of our utility customers, the past five months have been difficult financially. If you are able to pay your monthly utility bills, please do so. Customer payments are essential to the ongoing seamless operation of our utilities. If you are having trouble making your utility payments, please reach out to us so we can discuss options with you.

When you make your utility payment via the mail or drop box, please remember to include your account number with your payment so we are sure to apply the payment correctly.

Rebates & Incentives Available to Village Customers & Residents

VPPSA and the Village of Johnson can give you money back for purchasing an electric lawn mower (\$25), driving an electric vehicle (up to \$1,400), switching to an e-bike (\$100), and much more. For a full list, visit this website: <https://vppsa.com>

Efficiency Vermont also is currently offering large incentives on heat pumps.

LIMITED TIME!

Up to \$1,300 off
your Heat Pump installation

Special offer on Heat Pumps for Johnson residents and businesses!

For a limited time, you can get up to \$1,300 off a heat pump heating and cooling system:

- \$200-\$300 discount from Efficiency Vermont, plus an additional \$200 for moderate or low income Vermonters
- \$400 from VPPSA and the Village of Johnson, plus an additional \$400 if you've weatherized your home

For more details about this special offer, and others, visit www.efficiencyvermont.com/johnson
