

## **Contractor needed to build accessible trail at Beard Recreation Park**

Johnson Conservation Commission plans to install an Americans with Disabilities Act (ADA) accessible trail at the Beard Recreation Park on School Street, Johnson. We invite contractors with ADA experience to submit bids to build the trail according to the following specifications:

The accessible trail will be approximately 280 feet from the parking lot on School Street to the kiosk in the vicinity of the picnic area. Trail will be designed, constructed, and completed to conform with ADA standards.

Bid should include a trail plan as well as the cost of construction: labor and materials.

Contact Lois Frey at 802 635-7826 or [volunteerlois7263@gmail.com](mailto:volunteerlois7263@gmail.com) for a site visit before submitting your bid and/or with questions or clarifications..

Please send your bid to Lois Frey, Chair, Johnson Conservation Commission at 850 Clay Hill, Johnson VT 05656 or by email at [volunteerlois7263@gmail.com](mailto:volunteerlois7263@gmail.com). Request for information by January 15, 2021 with bid proposal no later than January 25, 2021 will be appreciated.
