REVIEW OF AGENDA AND ANY ADJUSTMENTS, CHANGES AND ADDITIONS  
PUBLIC COMMENT

1. Merger Study Proposal Update and Review (60 minutes)

Updated proposals and responses to board questions are available.

2. Potential Subdivision of Old Mill House Property (20 minutes)

If there is any potential for redevelopment of the Old Mill House the first step will be to subdivide the property. We can undertake that step now while other steps are still being lined up.

3. Trails in Mill Property (10 minutes)

Before the construction of trails begins we should have a determination from the Natural Resource Board on whether Act 250 applies and be confident of the absence of contaminated soils.

4. Placement of Inclusivity Statement Sign/Mural (10 minutes)

The Inclusivity Statement has been painted as a sign/mural by local artist Kate Wescott. During the summer it has been located at Legion Field. It has been proposed for it to spend the winter in the lobby of the municipal building.
