The Trustees and Select Board will review their scoring of the three Merger Study proposals and will discuss whether they wish to move forward with any of them or pursue an alternate plan.

3. 2019 Gardening Plan

In order to use municipal funds wisely and give clear direction to our gardener, the Boards will be asked to prioritize the areas where we would like the gardener to focus his time in 2019. We also need to set a final budget for the Municipal gardening work.

4. Discussion of Joint Employee Framework

The Boards will discuss whether the Town Administrator and Village Manager should spend time investigating the potential to move away from a joint Town-Village employee framework and develop another approach for existing staff.
