

VILLAGE OF JOHNSON EMPLOYMENT OPPORTUNITY

The Village of Johnson seeks a Village Manager/Water & Light Department General Manager. Bachelor's Degree in Business or Public Administration or minimum of five years of experience in an advanced administrative capacity in a municipal environment required. Knowledge of municipal electrical, water, wastewater and financial management strongly preferred with knowledge of laws and regulations related to utilities in the public sector. Position is responsible for planning, organizing, directing and coordinating the affairs of the Village and for assisting the Village Trustees in developing policies for the general direction of Village affairs, for planning long-range programs for the various Village Departments and for the general oversight of Village Departments and staff.

This salaried position will range from 30-40 hours per week and the wage range is \$42.00 to \$48.00 per hour dependent on qualifications and experience, plus a generous benefits package. A detailed job description can be found on our webpage at www.townofjohnson.com. To submit a resume and letter of interest, please send to Rosemary Audibert, Village Clerk/Treasurer at raudibert@townofjohnson.com or Village of Johnson, P.O. Box 603, Johnson, VT 05656. Open until filled. The Village is an equal opportunity provider and employer. The Village has adopted an Inclusivity Statement and Anti-Racism Statement, which are available at <https://townofjohnson.com/johnson-inclusivity-statement/> and <https://townofjohnson.com/johnson-village-anti-racism-statement-2/>
