

Beautification Committee Agenda, 9/15/21

Please note the change of time

5:30pm: Call meeting to order

5:35: Changes or Additions?

5:40: Approve the meeting minutes of 7/21/21

5:45: Potential Action items to discuss:

1. Grant for new picnic tables on the Village Green: As you may have noticed the picnic tables are getting beat up and need replacing. I have sourced a grant that will pay for new, all season polywood tables. Is this a grant we want to take on?
2. MUMS! Do we want to replace the existing flowers with mums for the fall? This will require funds and watering.
3. World Cow Mural and Ribbon Cutting Ceremony: Do we want to have a gathering to celebrate this mural?
4. Ideas for winter: Are there any beautification ideas for the winter months?

6:30: Meeting adjourned.
