Minutes:

1. **Minutes** – the committee was not able to read the minutes. We will accept them next month
2. **Treasurer's Report** – We have already surpassed our fundraising goals for the year. Lisa will be meeting with Rosemary to trouble shoot the reserve fund issue and will ask that in the future, excess money from any fundraising and surplus from activities will stay in the Johnson Rec. account. The Lamoille County Planning Commission will help support us in finding grants that are fit for our organization.
3. **Soccer** – We had 92 players and plenty of coaches. The season went very well!!! Adult woman's soccer has been well attended and we are going to try starting up a men's pick-up soccer night as well.
4. **Basketball** – We have pre-approval to use the gym at JES for basketball this season. 6th grade wants permission to run the concession stand to fundraise for their class. We have granted them permission excluding the tournament weekend.
5. **Ski and ride** – At our November meeting we will vote on chaperones and their kids skiing for free. There will be two chaperones per group. Lisa, Katie and Kim will meet in November to create the group lists and in December we will hold a chaperone meeting to hand out the group lists and cards and do go over other last-minute things.
6. **Halloween Fun Run** – There are 31 people registered so far. We have Healthy Lamoille coming with their Passport table to stamp passports for teenagers and hand info. out. Friday late afternoon we will meet to do some set up and Saturday we will be selling light concessions, offering both a 1K Kids run and a 5K. Kids 1K will have Trick or Treat booths and library booth. If the weather permits, we will also set up a photo booth and pumpkin ring toss. Every participant will get a raffle ticket, tickets will be pulled at the end for fun prizes.
