

Johnson Community Oven Committee
January 11th, 2022

Present: Jasmine Yuris, Ray Kania, Jen Burton, Mark Woodward, Luke Gellatly, Sophia Berard
Not present: Liam Murphy, Charlotte (Lotty) Roozkrans

Meeting called to order at 6:30 PM

1. Legion Field grant update

Big thanks to Diane (Dee) Lehoullier and Kyle Nuse for their efforts in raising \$4,000.00 of grant money for the Legion Field!

There was discussion of fundraising for a shed somewhere on Legion Field that could be used by the Oven Committee, the Rec. Committee (ice rink), and Tuesday Night Live. Rather than begin specific fundraising for the shed now, it was decided that the three committees ought to be in touch about their specific needs, and try to brainstorm a location for a 2023 shed project.

2. Plan Skate & Bake (Saturday, January 29)

a. Oven firing: Jasmine said she and Brian (Raulinaitis) could manage starting a fire in the oven on Friday, January 28th around noon, and stoking it once that evening. Luke will stoke it again Saturday morning a few hours before the event begins.

b. Food/drink: Given the success of years past, it was decided that we would offer 3-4 different varieties of hand pies, one batch of cookies, coffee and hot water for cocoa and tea. Jen has 4 carafes that can be used for the beverages. Jasmine will make the pie dough; Luke, Ray, and Lotty (*who volunteered in an email right after the meeting*) will make the fillings; Jen will make the cookie dough; Sophia will pick up the hot cocoa, tea, compostable cups, and paper towels.

c. Advertising: Ray will begin the advertising on Instagram and Facebook, and Jasmine will post to Front Porch Forum.

d. Other specifics: The event will be by donation.

3. T-shirt / stickers update – Luke

New Duds does not offer stickers; however, they still have our graphic on file and will be able to print more t-shirts whenever we are ready. Prices have gone up a little, but we could look into different options of shirts if the price seems inhibitive. We will be sure to order a wider range of sizes this time around.

4. Budget check in / Elmore Mountain Bread check

It was decided to do the budget check in when Lotty was present at our next meeting. Luke said that Elmore Mountain Bread has been paid.

5. Other business

Meeting adjourned at 7:40 PM
