

## Johnson Recreation Meeting

February 17, 2022

**In Attendance:** Lisa Crews, Casie Adams, Jenn Yuris

Meeting started at 6:05

**Minutes** - hold

**Budget** - We received 500.00 from Vermont Electric to purchase a new Johnson Recreation E-Z Up. Lisa explained to Casie how our budget works and we discussed looking for a better way to manage our money to allow us to be eligible for grants.

**Ski** - Great season!!!

**Basketball** - Successful season, tournament was awesome! We were able to acquire some new referees.

**Baseball - OMP Fields** - Registration is now open! We currently have lots of coaches. The season will start inside in the gym then will transition outside to Old Mill Park. We are getting top soil and need someone who does excavating to help move and place in areas. Then we will top seed, rake and fill in ruts. Extra top soil will be brought over to Legion Field to fill in the side of the ice rink area that is caved in to level it out for next year.

**Recruitment** - Need members, thinking about doing an event such as a Bingo Night or make and take craft for kids and advertise it up. During the event we would conduct a Rec meeting in order to hopefully pull in some new families.

**Other Business** - If we know anyone who is in 7<sup>th</sup> grade or above who would like to ref. games, we pay 20.00.

-We discussed changing the Johnson Rec logo. Possibly doing a logo challenge set up through the school for the 6<sup>th</sup> graders in conjunction with their art class????

-Ice rink, the insurance company came to inspect it. The only feedback was to post a sign with rules. Lisa has created the sign and laminated it has will place it next to the rink.
