BAT HOUSE RESET AT THE ARBORETUM

Two of the four bat houses that came own last winter were re-mounted on a new system, designed by Noel, consisting of an upright pole with a piece that will lower the houses when necessary. Noel, Dean, and Jared did all the work while the rest of us supervised.

The bat houses in McLure's field and on Wescom Rd. are also down and plans will be laid to reset them.

The project took most of the evening. All moved to Beard Recreation Park to check-out the wheelchair accessible picnic table. The rest of the agenda was placed on hold.

The meeting adjourned at 8:30.

Next meeting is on Thursday, August 11, at 6:30 at the Municipal Building.
