In person

Members (P=Present; A=Absent)

Charles Gallanter	P	Kim Cotnoir	A	Shayne Spence	P
David Butler	A	Kyley Hill	P	Paul Warden	P
Greg Tatro	A	Rob Rodriguez	P	(vacant)	

Public – Adrienne Stevson

Call to Order 7:01PM

Agenda Changes – None

Public Comment – None

Approval of 10 NOV 2022 meeting minutes – Shayne moved, Rob seconded; Passed (Kyley abstained).

Vote whether to recommend that the SelectBoard appoint Adrienne Stevson to the JPC. Posted in newspaper – but just came out the day of the meeting – with apologies to Adrienne, decided to postpone vote until next meeting to allow any other interested applicants to apply.

Annual Budget – Chair requested SB increase the JPC annual budget from \$1500 to \$2000 in anticipation of minor costs associated with Municipal Plan renewal.

Review and Discussion - Results of the Johnson Unified Municipal Plan Survey. Reviewed the 150+ responses – and quite a bit of commentary; very pleased with input. Thanks again to Charlie and Shayne for putting it together and to all JPC members for talking it up. Kyley suggested thanking Johnson residents for input; all agreed and Shayne added a thank you to Sal at LCPC. Definitely – the online version would not have happened without his help! Decided we need to combine hardcopy and on-line survey results to be able to have a presentable product. Agreed to work on this in 1/12 meeting and 1/19 work session as needed.

Previous TOJ studies re the Jewett Property – Postponed discussion – maps not available.

Health Equity and Community Design TA Pilot (VDH and Vermont DHCD). Possible grant opportunities (please see previous email with attachments). For information only – Shayne expressed interest and will look into. Chair encouraged JPC members to be on the lookout for applicable grants – we can enlist LCPC and (hopefully) Johnson Economic Development Coordinator for grant writing assistance.

Adjourn 8:45 pm
