43	Not sure	11/30/2022 7:18 PM

45	Mixed use and residential in the village. Commercial and Industrial along the RT 15 corridor	11/30/2022 10:37 AM
46	It's a beautiful downtown, but it needs to be better cared for. I would like to see an effort towards downtown development, making it more inviting, and cleaner. Perhaps owners of downtown properties could be incentivized to make their road front properties fit some basic standard. The best things that could be done is to bury electrical wires, and eliminate the use of all terrain vehicles. There is also a huge noise pollution problem in Johnson. It feels like the people who have control over such issues are the same men who never see an issue with anything. I highly doubt anything will ever get done.	11/30/2022 10:00 AM

51	Would like to see the empty commercial buildings in downtown occupied. Sure would be nice to have a diner/restaurant back in town. I know this has been a hot topic in the past but would also like to see some form of zoning. Development is a difficult topic, do we want to see Johnson remain a quaint Vermont town or is it to be more commercialized and sprawling with businesses, apartment buildings etc? Of course we all want the people of Johnson to thrive and prosper, and growth is needed and inevitable. Doing it wisely without zoning???? And another hot topic is the Village of Johnson now being referred to as the "Village of Recovery or Recovery Village" as printed in the News and Citizen. Is this where Johnson's development is headed towards? Hmmm.....	11/29/2022 8:28 PM
52	I think it is very important that we spend some development efforts to provide an alternative route for the Rail Trail (LVRT) that would go through Johhson center and loop back. Also, any sort of survey we can do to determine the types of businesses that would be most useful to the community so development efforts and incentives can be better directed would be a good step forward.	11/29/2022 7:55 PM

74	1. "Industrial land" across the street from Jolley. 2. Ditto re the property set aside by the River...."Lendway La e"? Silly to hold these lands for industrial development that will never materialize. Vermont and Lamoille county have an affordable housing crisis. Let's put these lands to use to help our neighbors.	11/22/2022 8:50 PM
75	I would like to see the Art school and it's buildings become more involved and integrated with the village and it's villagers. I would love for the art school to reach out and be more involved with local activities and residents of Johnson.	11/22/2022 8:16 PM

80	Housing that has involved landlords and screened tenants. No more decaying building. Affordable store fronts in the village, including shops and restaurants. Stop using Johnson as a dumping ground. It's a fantastic town and we should be spotlighting all we have to offer: bookstore, gift shop, coifed, bakery, bike tours, art shops, car detailing, jewelry making, clothing, maple specialties, woolen mill, art studio, so much good. Would love to see more community based events within the town throughout the year.	11/21/2022 11:31 AM

101	Primarily in the village. Geographically this would be difficult but expanding up Route 100C would make sense	11/14/2022 8:28 AM
102	the core village needs zoning to retain commercial on the ground levels with living above - the work/live model that has been very successful for many towns/villages. senior/affordable housing is currently available thru lamoille housing partnership. with the college, we also have plenty of apartments/rentals within our community.	11/13/2022 6:09 PM

106	I'd like to see a lot more retail shops on Main Street that would attract visitors to town. And restaurants!!! Sounds like the new cafe will close at 2:30. It would be nice if they were open until 4:00. Moogs is great, but we need an affordable restaurant on Main Street What's up with the Downtown?	11/13/2022 12:15 PM

108	Anywhere that it's viable.	11/12/2022 2:38 PM
109	Something could be done with the delapidating former Wicked Wings building. Also, more affordable housing and more parking for existing apartments is a must.	11/12/2022 11:55 AM
110	This question is vague. Which kind of development? It would be great to develop or sell the land the town bought - either for housing or industrial or mixed use. We need zoning before I say I'm in favor of developing other areas.	11/12/2022 8:56 AM
111	I would like to have: 1. the Jewett Property set up for industrial/commercial purposes. 2. a new restaurant at "Plum and Main. 3. the building behind Butternut Mountain Farms turned into a brewery with other small businesses in that building. THAT would make us a destination town!! 4. Turn the Manchester Property into something exciting... eatery with a park with access to	11/11/2022 10:39 PM

the river. 5. Look into the Hoag Property for a commercial building (like what is featured in the Brownfields Report.)

112	Parking is the largest problem in Johnson. Any new local business will have a problem surviving unless it's a product that is needed or used to stop shoppers, and may then they will go into other businesses that may crop up. The land outside the village set aside for businesses needs a road and a clearing of the property to attract a business there. I would like to see a single business on that property that will provide many jobs and have a product that will maintain the business, a product that can be used mostly by everyone and would also be futuristic in developing something new or a recreation of something used already.	11/11/2022 10:21 PM
113	Allowing more families to grow and develop in a safe and trusting community. Also, growing business would be nice and more activities to do in town. Right now seems like a ghost town.	11/11/2022 9:49 PM
114	Backroads / tear down and rebuild in village	11/11/2022 9:27 PM
115	Make our town a destination town by having more restaurants or places to eat.	11/11/2022 9:06 PM
116	Something that can provide jobs that can support what used to be \$300-\$400 apartments that now cost \$1200-\$2000 a month. It's fucking absurd. And try finding something with any freedom, like ability to have a pet.	11/11/2022 9:06 PM
117	I would like to see the current unoccupied buildings renovated and in use before any new development	11/11/2022 9:01 PM
118	Industrial park across from Jolley's Clean up buildings on Main Street and RR street- tear down junk and rebuild	11/11/2022 8:50 PM

127	The industrial park that we purchased many moons ago- time to do something with it!	11/11/2022 5:18 PM
128	I would like to see more development of usable public spaces for play and recreation to bring more families to town. Fitness, playgrounds, and walk ability of a village makes a huge impact on families deciding to establish themselves.	11/11/2022 12:56 PM

69	Into low income housing. Our school is a wreck because of the high turnover in students with families in and out of this town. Drugs are high, crime is increasing, our kids are suffering because there is a severe shortage of resources for the behavioral issues we are seeing these years. Single family homes where the interest is to connect and support the community for the long run.	11/21/2022 11:31 AM

36	Seek more state/federal subsidies/funding, implement laws/regulations that limit the number of Air BnBs in the area	11/30/2022 7:18 PM
37	I'm not sure honestly. Having a town/village employee who can dedicate the hours to the system wide collaborations it takes might help? Is there already perhaps an active regional housing collaboration that is working on it productively? Grant writing and other fundraising? Supporting developers with Act 250 processes and assist with removing or easing other administrative barriers to development? Assist and support developers in making applications for other public or private housing funds? Offer to partner on infrastructure improvements to water/sewer and power if needed but in ways that don't burden the small tax base we have, our expenses are already about as high as people can manage, yet getting more people on those systems increases cost sharing but - at a substantial cost if our systems need to be rapidly expanded... so having a sensible growth plan that is based on development commitments that don't leave us hanging with unused utility expansion Keep our revolving loan fund healthy and maybe expand its use to include down payment assistance for first time home buyers? renovations and improvements? Do people even know we have on? Do we still have one? Offer a tax incentive or increase either way to keep rental properties from becoming AIR bnb type short term rentals?	11/30/2022 10:37 AM

42	Provide high speed internet to all houses at an affordable rate! Reduce utility rates.	11/29/2022 10:06 PM
43	That's a real loaded question...? What is affordable, at what cost comes with development...? Do we end up truly helping those who are in need, or are we just going to blindly put up garbage housing, create congestion and still not address the affordability like our neighbor to the east in Morrisville? Our town needs to take very precautionary steps to address this and weigh the benefits and impacts up front before its too late with the wrong type of development.	11/29/2022 8:41 PM
44	Not sure it's the responsibility of the Town/Village. None except possibly ZONING!	11/29/2022 8:28 PM
45	I think that we should look at state incentives or other options to help bring development to the area - ensuring an increase for mixed commercial/residential affordable housing along the main street. If that isn't possible, we should look at helping people with single family homes to make ADUs. Perhaps there is a way to provide assistance for the construction in return for providing low rental rates and long term rentals. I think it is less an issue in Johnson, but may become one if we continue to grow, but I think an ordinance that required short term rentals to only be available if the home is a homestead would ensure that housing stock is not purchased for rental income only.	11/29/2022 7:55 PM
46	I'm not sure if there are funds available to the town/ village but I do think landlords need more accountability & units must be well maintained to benefit all	11/29/2022 7:47 PM
47	Good question. Not being an expert, I can only suggest finding similarly sized towns around New England that have been successful at providing affordable housing (if such towns exist) and build on their experiences.	11/29/2022 7:38 PM

77	It's very easy to have college students who want to live off campus be roomed together in a single housing as roommates, so the idea of having multiple people in a home with the same cost per living would definitely help students when it comes to living expenses as opposed to trying to find a place on their own (not that that's even a possibility either).	11/18/2022 8:16 PM

87	I believe there should only be affordable housing, which should actually just be housing. It is cruel and unusual punishment that people to do have places to live because of price gouging by already wealthy landlords and companies making record profits off of the middle class. It is practically impossible for a single person to live off just their own income.	11/14/2022 10:24 AM
88	affordable housing is already currently available thru LHP. i don't feel we need additional housing in the rental market. rentals specifically in the village need zoning for parking spaces per bedroom to be defined and controlled - not parking on grass, front yards, etc.	11/13/2022 6:09 PM

If a single person can't build then an outside source may build small homes or condos that can be purchased at a small interest fee.	11/11/2022 10:21 PM

44	Safe - walking on the Rail Trail. Unsafe - walking on Route 15, cars too fast no shoulder	1/11/2023 12:36 PM

53	I feel safe walking on the village sidewalks. I live in the Harvey's trailer park by the Jolly store and don't feel at all safe walking to and from the village from here.	11/30/2022 10:37 AM
54	I feel safe on none of the roads in Johnson. Cars and trucks are free to ignore speed limits, the turn up to Eden on 100c is a raceway. The town doesn't ever seem to care about this.	11/30/2022 10:00 AM
55	Safe on back roads	11/30/2022 9:31 AM
56	You made the back roads way too narrow over the past year! Very scary with steep ditches in bad weather ir oncoming cars.	11/29/2022 10:06 PM
57	I feel safe on our town roads in general, the rural nature of our town affords this opportunity to feel safe.	11/29/2022 8:41 PM
58	I walk on Foote Brook Rd and cars/trucks speed on this road. Also I am more concerned now about dui as the drug laws have changed and it appears there is less enforcement of current laws.	11/29/2022 8:28 PM

## Town and Village of Johnson Municipal Development Survey

65	Feel safe anywhere	11/29/2022 5:56 PM
66	People travel fast on some of the dirt roads and a lot of ATVs on roads that they aren't supposed to be on and going fast. A sidewalk along rt 15 all the way to Johnson hardware would be a lot safer for pedestrian movements	11/29/2022 5:40 PM
67	Safe: Sidewalks and rail trail. Unsafe on any road. And Railroad Street traffic is too fast.	11/29/2022 5:37 PM

70	Upper French Hill- vehicles drive too fast!	11/29/2022 4:20 PM
71	Speeding and reckless driving on gravel roads	11/29/2022 3:17 PM
72	I walk daily on the roads of Johnson. Many vehicles (cars, trucks, ATVs and motorcycles) drive too fast and are not considerate of pedestrians. The roads I generally walk on, Railroad St, School St and Clay Hill have regular offenders.	11/28/2022 9:26 PM
73	Coming from the city the small town roads are not so busy, however people can speed	11/28/2022 8:49 AM
74	Almost been hit numerous times	11/24/2022 12:35 PM
75	Quads race by fast and kick up dust.	11/24/2022 11:13 AM
76	N/a	11/23/2022 8:09 AM
77	I live on a gravel road, no real problems and maintained well	11/23/2022 8:08 AM
78	Town roads generally seem safe. Traffic on 100C Twin Bridge area is very dangerous, and we need sidewalk in the Village to extend east to Wescom Rd. Also need bike lanes on RR St and RT 15 east for Rail Trail access points (by Hardware/Rental and further east by Long Trail parking lot.	11/23/2022 6:04 AM
79	I feel safe because people usually respect that I'm walking there	11/22/2022 10:18 PM
80	I feel safe on the bike path	11/22/2022 9:15 PM
81	I ride a bike and stick to the right side of the road. I have a mirror and wear a helmet. The rail trail should post signs advising riders to wear helmets	11/22/2022 8:50 PM
82	I avoid certain areas where the housings is unkempt by the landlords.	11/22/2022 8:16 PM

87	Lots of blind spots. Speeding cars.	11/21/2022 11:31 AM
88	quite frankly I am not a young woman so I do not feel un safe. If I was I may feel unsafe at times	11/20/2022 8:04 PM
89	I feel safe mostly on the main roads.	11/20/2022 6:08 PM
90	I feel safe on dirt roads and bike path, but not on the main roads	11/19/2022 2:02 PM

94	I take steps to make myself visible (florescent clothing, lights on my bike). On foot, I feel I have to be doubly alert, as drivers often speed on the back roads	11/19/2022 11:37 AM

96	I feel most safe within the actual town of Johnson, but unsafe after daytime hours	11/18/2022 8:16 PM
97	I walk on Whitcomb Island Rd. (where I live) and feel safe.	11/16/2022 1:42 PM
98	Need more sidewalked roads	11/16/2022 12:58 PM

103	River Rd E, Plot rd, traffic is too fast	11/15/2022 7:49 PM
104	I feel safe using all of the roads except 100c since there are not lanes for walking or biking	11/15/2022 7:27 AM
105	It depends on the season. Not when there are lots of atvs	11/14/2022 10:33 PM
106	I feel mostly very safe walking in Johnson. People for them most part obey the speed limit and are conscious of pedestrians and bikers. I would like to see the sidewalk extended further. Going west, to at least the Jolley, and maybe a little further east, as well.	11/14/2022 8:12 PM
107	The bicycle lane is not prominent enough/ there is not a lot of drivers used to driving next to bikers	11/14/2022 10:51 AM
108	The speed limit on Railroad St is 25mph. I live right near the bridge at the end of the road. Still, even with the bridge coming up, people fly by my house at almost double the speed limit. I have requested speed bumps be put in, but have been met with silence.	11/14/2022 10:24 AM
109	for the most part cars slow down to a safe speed and there is generally always room to get over	11/14/2022 8:28 AM
110	i'm up clay hill and frequently walk into town. clay hill from the college down to town could use a shoulder/bike lane or other - even if only on one side of the road	11/13/2022 6:09 PM
111	all over, the roads are fine for biking and walking	11/13/2022 5:33 PM
112	We need more sidewalks. Someone is going to get killed on route 15 along the lamoille river. Cars and trucks speed in that area and many people walk there. We need a sidewalk. People are not safe walking to the village.	11/13/2022 1:49 PM
113	I rarely walk Johnson roads.	11/13/2022 1:37 PM
114	Speed! Curves and fast cars!	11/13/2022 12:15 PM
115	Most anywhere after dark	11/12/2022 7:08 PM
116	I feel safe on the rail trail and places where is a sidewalk. I live off 100C and routinely walk it and I definitely do not feel safe there as traffic never follows the speed limit.	11/12/2022 2:38 PM
117	Specifically railroad st feels unsafe to me. For this reason I only bike down there for the rail trail, never walk, and I use laundromats in other towns. There was a shooting on thar road not long ago. There's a lot of druggy people wandering around and it doesn't feel safe.	11/12/2022 11:55 AM
118	We need more sidewalks where people walk to and from: sidewalks to the trailer parks on each end of town and another up 100c to the entrance to the college rugby fields. These roads are unsafe for walking and biking but people use them all the time. Wasn't Rodney Mason killed walking to or from home on RT 15?	11/12/2022 8:56 AM
119	Route 100C is atrocious! Cars go by SO fast! We need sidewalks. Clay Hill feels unsafe. Biking on Railroad St. doesn't always feel safe. It's really bumpy and the storm drains are sunken in. I feel safe on the sidewalks we have but the condition of some of the sidewalks are not safe.	11/11/2022 10:39 PM
120	I feel safe on Main Street. Unsafe during night though on rail road street.	11/11/2022 9:49 PM
121	Additional sidewalks are needed - from Wescom Road to the village. Also from the village up to Katy Win. Crosswalks are also in need of repair	11/11/2022 9:27 PM
122	Between Jollys and subway we need continuous side walks	11/11/2022 9:06 PM

## Town and Village of Johnson Municipal Development Survey

123	feel safe pretty much everywhere	11/11/2022 9:06 PM
124	From the long trail parking to Foote Brook Farm traffic is going well over the 50 mph speed limit.I. This makes it unsafe for families living on 15 to turn into or pull out of their homes, check their mail or have their children get on/off the bus.	11/11/2022 9:01 PM
125	Crosswalks not visible - Unsafe - RR Street. Too many junkies. Unsafe between Jolley's and Lower Main by guardrails, Unsafe on 100c from Main Street to covered bridge	11/11/2022 8:50 PM
126	Unsafe on RR Street. Park St because of drugs	11/11/2022 8:36 PM
127	There is no sidewalk going up the curvy hill to Katy Win. That's where Rodney was killed..	11/11/2022 8:12 PM
128	I feel safe everywhere	11/11/2022 7:36 PM
129	Ledges. Alit if people walk between co-op, jollies to town . A walkway would make it safer	11/11/2022 7:35 PM
130	I feel safe enough, most people are considerate	11/11/2022 7:16 PM
131	safe	11/11/2022 5:48 PM
132	Clay Hill needs a sidewalk	11/11/2022 5:18 PM
133	Crossings are not clearly marked and crosswalks are frequently faded. It also isn't easy to walk everywhere in town because sidewalks end or are crumbling.	11/11/2022 12:56 PM
134	I don't feel safe on Railroad St or in the village	11/11/2022 12:43 PM
135	Back roads safe	11/9/2022 4:09 PM
136	Town and backroads seem safe enough	11/9/2022 3:47 PM

23	See above. With thousands of cars (I believe Rte 15 is per day + the large number of people within and without the village in Trailer Parks, + the skate parks are west of the village sidewalks are needed! Now! The volume of people walking in the road on Clay Hill for recreation + to + from the college also presents an area with a crying need for good sidewalks. The rural town gravel roads are fine for walking but could use pull-offs for access.	1/25/2023 7:21 PM

65	Railroad St has frequent walkers, many of them children. Vehicles regulary speed down the street which is especially concerning. In recent years speeding, racing, revving of engines, lack of proper mufflers and noise pollution from these vehicles has affected the quality of life in Johnson on many roads I travel/walk on. The roads I most frequent are in the village and Clay Hill area. There seems to be very little enforcement by the sheriffs department so drivers do as they please. I have spoken to a number of people recently that say they will no longer walk on the back roads because they do not feel safe.	11/28/2022 9:26 PM

49	Let 4 wheelers in village	11/29/2022 5:56 PM
50	Whitewater river feature at sloping falls, downstream of where the river has an underground tunnel. Basically cleaning up the rocks at the end of the last little rapid to make a safe and fun surfing feature that could be used for kayaks, canoes, surfboards, boogie boards etc. A good example is in Franklin NH and almost every town in Colorado that is along a river. Particularly so.ething that could be used at low water flows like we get in the summer. This would bring a lot of people to the area from around VT as there are no whitewater parks in the state. If the land adjacent to the rock bar island was turned into a park it would be a great access point and could even be a trailhead for hiking or getting on the biking trail systems. You can already surf there at some levels, but the riverbed has some rocks that would be better if they were altered to make more friendly. Not talking about doing anything to the natural feature of the tunnel, but just the last slide/rapid.	11/29/2022 5:40 PM

36	Public shops and bathroom/trails, community centers.	1/11/2023 1:19 PM
37	Services (public restrooms, visitor centers, etc.) and Activities (shops, restaurants, multi-use trails, swimming areas, sports fields/courts, etc.)	1/11/2023 12:53 PM
38	More on Main Street for businesses/activities	1/11/2023 12:36 PM
39	Main Street appears rundown. We need broadband high speed internet yo-yo enhance businesses,	12/1/2022 12:30 AM
40	Activities are just right, so many options, but services especially promotion of those options could increase. There should be public bathrooms downtown to alleviate businesses having to provide that- it is unfair.	11/30/2022 9:28 PM
41	Public restroom. Visitor info in village.	11/30/2022 9:27 PM
42	Na	11/30/2022 8:34 PM
43	more locally owned restaurants and coffee shops	11/30/2022 7:18 PM
44	I know it's hard to run a small business, but I would love to see more shops like the bookstore, Butternut Mountain and the Studio Store- nice for both locals and visitors.	11/30/2022 5:04 PM
45	I hope our village developmant as a whole would attract more tourism. It might be good to add more of a welcome center, info board, pamphlet stand, porta potty or bathroom to the village green on main st.	11/30/2022 10:37 AM
46	Maybe the town can purchase one of the head shops and make it into a visitors center?? You could sell local goods, and promote the town.	11/30/2022 10:00 AM
47	Promotion of the LT	11/30/2022 9:31 AM
48	Public restroom somewhere in town. Activities kiosk, highlighting businesses in town, recreational & cultural opportunities, etc. Should be on Town website also	11/30/2022 9:22 AM
49	Restaurants, perhaps a small motel with a restaurant.	11/29/2022 11:48 PM
50	Hotel, B&B, Hostel	11/29/2022 10:06 PM
51	We need a solid village restaurant(s) with a legitimate presence and outdoor dining in the early evening hours.	11/29/2022 8:41 PM
52	A restaurant (also that would help adding another public bathroom)	11/29/2022 8:28 PM
53	I think the Long Trail access that we have is great, but you could easily go by it and miss it without even knowing it was there. An information center could be useful, and possibly an opportunity for a small vendor to provide services to hikers or entice hikers to the main village with an alternate loop. I think economic development in general should help with tourism. I think some better signage in general as you are going through Johnson center to direct people to picnic grounds and other interesting places could help.	11/29/2022 7:55 PM
54	Not into creating a micro-mini Stowe, but there seem to be tourists who pass through the town and don't stop. Some of our neighboring towns seem to attract visitors with very good eating establishments, other business can succeed by building around these.	11/29/2022 7:38 PM
55	Anything Johnson doesn't already have. Baseball field, lakemonsters baseball games would be great.	11/29/2022 6:38 PM
56	Restaurants serving sit-down breakfast, lunch, and dinner with constant open hours. They all don't have to serve 3 meals a day, but those meals should be covered daily. Thank goodness	11/29/2022 6:27 PM

## Town and Village of Johnson Municipal Development Survey

we have Butternut Mtn., Woolen Mills, Village Emporium, Bookstore, Historical Society, a Gallery and art supply store in the Village. We don't need the Smoke Shop and one across the street.

57	More business in Johnson	11/29/2022 5:56 PM
58	More shops and activities walkable from downtown. Community programs to get people outdoors and coming together	11/29/2022 5:40 PM
59	The new Ted Alexander Center on the rail trail is great. Maybe a kiosk in the village green would be nice. I do like the use of the village green for the Front Seat Coffee. Now with Jenna's Cafe opening, that will help.	11/29/2022 5:37 PM
60	Shop spaces downtown, more lively village center	11/29/2022 5:29 PM
61	Sculpture's at the parks. Attract more local small businesses/crafters/artisans.	11/29/2022 5:23 PM
62	No opinion	11/29/2022 4:20 PM
63	Public restroom	11/29/2022 3:17 PM
64	Johnson has a lot to offer with the bike path, hiking trails, several town owned recreation properties, beautiful vistas on our back roads and hopefully some new restaurants. Information about these resources on the Town website or a pamphlet would spread the word. The area down by the Town/Village garages would be a great place to develop with restaurants, brewery, bike repair shop, maybe some housing. It is a beautiful area with the river, mountain views and away from the traffic and noise of Rt 15. In general we need more restaurants, stores and businesses to attract visitors to Johnson.	11/28/2022 9:26 PM

81	Ski area and cell service	11/19/2022 10:36 AM

98	A tourist kiosk on the green with a town brochure of places to go and things to do and a map of Johnson's retail places, restaur5ants and hiking trails.	11/13/2022 12:15 PM
99	Lodging, parking, special attractions, picnic areas	11/12/2022 7:08 PM
100	I don't know	11/12/2022 2:38 PM
101	Johnson is not Stowe. There's no need for welcoming any excess of tourism. It would only bother the people who live here and congest the roads.	11/12/2022 11:55 AM
102	We need to draw people in from the rail trail with restaurants and shops. A small welcome center somewhere in town would be nice - maybe at the historical society or on the village green. More food trucks in the summer would be good. A town-wide yard sale could be a draw.	11/12/2022 8:56 AM
103	We need a better website to advertise what is currently in Johnson, we need signage to let people know where services/activities are, we need good eating/drinking/gathering places, make the Power House site into a park where people can picnic.	11/11/2022 10:39 PM
104	More business as a whole.	11/11/2022 9:49 PM

116	Need more retail shops	11/11/2022 5:18 PM
117	We need businesses and restaurants. Otherwise people might visit but will go to Morrisville to spend their money. How can we help them want to hangin Johnson? Food trucks on the green	11/11/2022 12:56 PM

## Town and Village of Johnson Municipal Development Survey

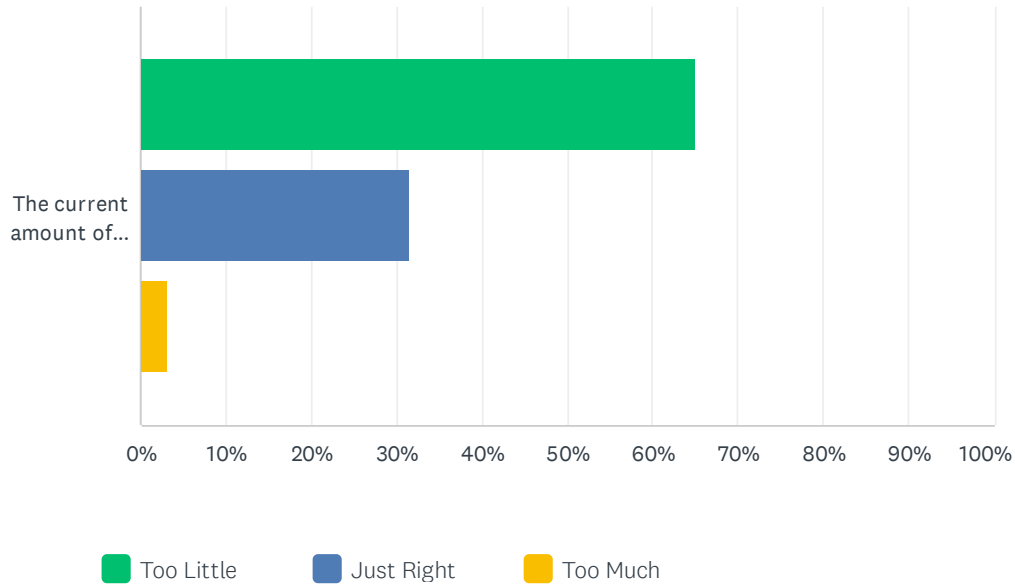

is a start, but we need more opportunities for people to spend money at local businesses. It's too bad we don't have a farmer's market or art guild.

118	More shops and restaurants in the village would attract more visitors. Take a look at Hardwick and how their Main Street has improved!!	11/11/2022 12:43 PM

16	longer hours at SHAPE and cheaper	2/6/2023 11:26 AM
17	Love the Electric rates to be paid by NVU. A committee to work with NVU + the communities. The ordinary citizen has no conflict with NVU. The community turned out to support it when it was threatened but has no idea what is happening there. The community should be on this or it will disappear someday.	1/25/2023 7:21 PM
18	More students interacting in town functions maybe co-op Downtown?	1/25/2023 6:31 PM
19	What is their plan?	1/24/2023 6:36 PM
20	Johnson residents should be offered a discount for recreational pass at NVU. There should be representation of the town and NVU on management boards on committees of both the town and the college. and the village.	1/24/2023 6:14 PM

29	Create a better relationship with NVU so that permanent residents have access to school services& discounts on classes	12/1/2022 12:30 AM
30	Offering the townspeople free, or inexpensive, use of their facilities	12/1/2022 12:07 AM
31	It feels like two separate things. Unless you have a family member connection with NVU you never know what's going on and the people who work there rarely live and interact with town people. And the name changes too often.	11/30/2022 9:28 PM
32	Let students know about the town below.	11/30/2022 9:27 PM
33	no community integration at all, no incentive from NVU to increase or building an active community engagement with NVU	11/30/2022 8:34 PM
34	events at local businesses/institutions within walking distance that would appeal to college students such as musical performances, readings from authors	11/30/2022 7:18 PM
35	I just think we're missing out on really utilizing what the college could offer to the benefit of the town. Most people who aren't students never go up there. Is that because of college liability? Town liability? Disinterest? The college does very little communication with the community. Almost nothing on front porch forum etc. Maybe it shut down because of the pandemic and never picked back up again? There are tennis courts and disc golf trails sitting idle, a lot of the time etc...	11/30/2022 10:37 AM
36	Create some spaces downtown that will attract young people. Force the university into providing more outreach, and benefits to the citizens of the town. Same thing with the Studio Center . It's as if they have nothing to do with the town!	11/30/2022 10:00 AM
37	College Rep could attend SB meetings and vice versa - keep each other abreast. Collaborate much more on joint events/discussions that involve our community.	11/30/2022 9:31 AM
38	The Town and NVU should work together to harness student energy (and internships?) to develop recreational opportunites, part-time jobs, etc. Also the Town and NVU should cooperate on speakers/music events/plays, etc	11/30/2022 9:22 AM
39	NVU should better advertise the facilities available to public (gym, pool, climbing wall, coffee shop, etc)	11/29/2022 10:06 PM
40	We lack establishments and amenities to bring students down to the village	11/29/2022 8:41 PM
41	Perhaps give residents of Johnson discounts or passes to use their facilities. I remember years ago they had free family swim times. Another idea would be to develop a big brother/sister program with the college students receiving credit for their volunteer hours?	11/29/2022 8:28 PM
42	I think becoming more involved in sharing and possibly building out the recreation facilities could go a long way.	11/29/2022 7:55 PM
43	I haven't lived here very long, but from what I've seen the two collaborate well with each other. I'm sure there's always room for improvements and exploring interesting new directions.	11/29/2022 7:38 PM

46	More housing for students, more programs that brings students to be involved with the community and programs that allow the community to use facilities at NVU	11/29/2022 5:40 PM
47	If there were a way to encourage students to come downtown. I do remember when the cafe was opened there seemed to be more students there. Maybe that will happen again. community and college events would be nice.	11/29/2022 5:37 PM
48	Concerts or anything else...	11/29/2022 5:29 PM

the Town/Village might make us better partners.

59	I wish towns people attended more NVU events. Concerts, sports, festivals etc	11/22/2022 9:15 PM

77	Access to shape, classes, service learning for students, internships for students	11/15/2022 9:35 PM
78	It would be nice to have better communication between the college and town. There are so many events up there that as a Johnson resident I have no idea what is happening.	11/15/2022 7:49 PM
79	Partner with arts programs to paint murals within the village. Offer dance/yoga classes to public through the school. Create shops or eateries that would encourage students to come to the village	11/15/2022 7:27 AM
80	More open activities or better advertising/access to Shape	11/14/2022 10:33 PM
81	I don't know specifically.	11/14/2022 8:12 PM
82	Put on co-sponsored events, promote NVU events	11/14/2022 10:51 AM
83	the thing most people do not consider when talking about the college is that there is no town or village oversite. Currently the pilot money is short for the amount of burden that is put on the taxpayers for having a college in the town. I'm not saying it is not an asset in some manor I am saying that to many town leaders never consider the downside because they either attended the college or are in some manor dependant on it.	11/14/2022 8:28 AM

## Town and Village of Johnson Municipal Development Survey

84	joint concerts, theater, other cultural events	11/13/2022 5:33 PM
85	?	11/13/2022 1:49 PM
86	Open the Shape gym (including pool) to townspeople. Not sure of gym cost now, but pool membership is a bit pricey last I looked. Invite the town to more events. You have to hunt for what's happening at Dibden. We might like to attend sport events and other things. Also lectures and visiting speakers. Give students some kind of discount vouchers to come into town and visit the cafe (and future restaurants!) and future retail shops! Be sure to9wn events are posted at the college. Be in touch with the online and print newsletters/Basement Medicine to advertise what's happening down the hill!	11/13/2022 12:15 PM
87	Use NVU as resource, replace old ski trail up there, better promote activities that are open to public ie movies or shows	11/12/2022 7:08 PM
88	NVU could advertise events better and make them more accessible to the public	11/12/2022 2:38 PM
89	Sidewalks and lighting on both roads that lead to college entrances.	11/12/2022 11:55 AM
90	Making the town better - more walkable and places to eat and gather - would draw more students back to campus. Partnerships like the mural project was a great example of a way to collaborate. More communication from NVU to residents about activities would be nice. Actively reaching out to students to participate in town activities/opportunities would be good.	11/12/2022 8:56 AM
91	Use students as paid interns, involve them on some of our committees, invite them to participate in our activities (ice skating rink, Johnson Works, fire department) Work with some students on writing grants to benefit the town and college.	11/11/2022 10:39 PM
92	Until we can get more businesses and eating places to attract college downtown it is hard.The college does offer more services.	11/11/2022 10:21 PM
93	More pairing together in activities	11/11/2022 9:49 PM
94	NVU and JES could work closer together - NVU and Johnson Rec could be more involved. JES students could swim at NVU, watch games there	11/11/2022 9:27 PM
95	Open college pool to community. Offer more opportunities in town for college students to interact with community	11/11/2022 9:06 PM
96	I don't really see any interaction, seems to me the kids kind of sequester up there.	11/11/2022 9:06 PM
97	Unsure of involvement - could build programs between NVU and elementary school	11/11/2022 8:50 PM
98	NVU has(had?) discriminatory policies banning visitors who are not vaccinated. This violates the Civil Rights Act of 1968 and their own Diversity and Inclusion Policy. NVU should be held accountable for refusing to oney Public Accommodation laws based on religious and medical discrimination.	11/11/2022 8:12 PM
99	More hoysing	11/11/2022 7:36 PM
100	Businesses working together with college do as they help promote each other	11/11/2022 7:35 PM
101	There is so much up the hill and I almost forget it's there. Could we collaborate to get our village up there through substantial discounts on the use of services? How can NVU students support town and village development?	11/11/2022 12:56 PM
102	More restaurants soils attract more students into town	11/11/2022 12:43 PM
103	Programs at NVU aren't advertised enough for public to take advantage	11/9/2022 4:09 PM
104	Not sure but I feel like the college and the town/village are two separate worlds and they shouldn't be.	11/9/2022 3:47 PM

59	Johnson is known to be an artsy eclectic town. We are not using our resources like the VT studio or NVU to capitalize on that. It could be a fun, funky place to draw tourists from Stowe. However nothing is here and what is here is not promoted	11/15/2022 7:27 AM

1	we plan to move in the next 1-2 years if town does not deal with crime, increase awareness of off road vehicles, and develop into vibrant town	2/7/2023 2:20 PM
2	police need to be more responsive to crime and show up once called. Cops have ingored calls reagrding drug addicts being at house, and domestic dispute	2/7/2023 11:34 AM
3	backroads need to be better maintained. maybe use tarres tone like in NY. Also village buildings need to be renovated. Village green could be at former landmark buildings	2/7/2023 11:28 AM
4	need to get more food in town. food truck at talc mill	2/7/2023 10:54 AM
5	need more signage, musical events in winter, and clean industrial areas. Add more banners than invite people instead of american flags	2/6/2023 11:46 AM
6	Need a unified town and village development plan. Need to fix up main street by improving quality of buildings	2/6/2023 11:37 AM
7	I would love to see Johnson public land be more accessible through trails	2/6/2023 11:26 AM
8	dont know the diffrence between village and town. can it all be one?	2/6/2023 11:15 AM
9	Johnson's outdoor resources are underutilized + under publicized. The town should support the Vermont River Conservancy in acquiring sloping falls + creating a municipal Park there. The Town should focus on the River as the great asset it is. The Gome Place should be developed - first with recreational trails + plans laid for it at a park. Johnson, the Town + Village, need to focus on economic development + housing. The town should continue to work to implement a light industrial park on the Jewett Property. It controls the only property with the suitable water, sewer, road + utility. There are many others suitable for housing. When you best real estate on main street is hair salons - or vacant you should know that you are in trouble! Johnson Village has sufficient water + sewer available to support development. The Town of Johnson's new economic development position is of extreme importance. Johnson could easily dry up and blow away -shrinking to a fraction of its current population like many rural communities in the U.S. including some in the North East Kingdom. A focus on Johnson's strengths of good municipal utilities, NVU and the studio center, outdoor recreational assets and location is required. Inactivity and neglect - just seeing what will come along will diminish what Johnson can become.	1/25/2023 7:21 PM
10	Morning drop off at Jes is unsafe. I have tried reaching out to get this problem fixed with NO help. People do U-turns in the drop off lane at high speeds w/ little kids crossing the road. Cones, bright signage, flashing speed limit signs may help. We have had an officer there at times but he is too late. Drop offs start at 715 am or before. Constant drug transactions occur daily by the laundromat, community bank + main street. It is disgusting. Cameras around these areas may help, not only with the drugs but theft too. We love our little town, and many wonderful people stick together to watch + keep our children safe. But more help is needed. Bright lit crosswalks, speed limit flashing signs on Railroad St + main street or speed bumps on Railroad + school street are desperately needed to keep children safe. Thank you!	1/25/2023 6:44 PM
11	strictly out of observation we do not want Johnson to be known as the rehab capital of NEK. Way too much loitering Downtown it seems condoned. The Police Blotter on local newspaper (News + Citizen) seems to be way too much bad publicity/negative attention for our town. We all would like to see the town prosper. The summer concerts are great + overall very little things to do in Johnson.	1/25/2023 6:31 PM
12	Johnson needs to get the lighted crossing signs for the crosswalks. 8 out of 10 cars do not	1/25/2023 6:05 PM

## Town and Village of Johnson Municipal Development Survey

stop for people waiting to use the crosswalks.

13	Johnson needs to remain the same - Vermont is growing too fast - we need to remain country - not commercialize - if we need to keep drugs and druggies out	1/24/2023 6:51 PM
14	Many zoning issues in Johnson - Look whats happening in Morrisville and the zoning	1/24/2023 6:36 PM
15	Less conflict - "overt" conflict in town government.	1/24/2023 6:23 PM
16	I'd like to see our town grow at a rate that is sustainable and fiscally sound - I'd like to see more activities in the town - a Rec center would be nice and a more welcoming open relationship with NVU. More activities there or in town or both. I'd like to see more police presence in the town and village. Getting off Pearl Street to turn left onto 15 is a nightmare - you can't see if there are cars parked. Pulling out to go right is easier but still dangerous. I love the park with the curve hut and pizza - I'd like to see more of that with different foods. I'd like the village and town to get along.	1/24/2023 6:00 PM
17	Please expand rec trails. The LVRT is going to grow and we need to bring those folks into Town & Village. Zoning Zoning - why would you invest in a town that doesn't care about it's future	1/11/2023 1:36 PM
18	This survey by no means covers all information needed, however it is a good step in the right direction, I applaud your efforts and wish you future success.	1/11/2023 1:08 PM

22	I've heard from a couple of people who were almost deterred or were deterred from pursuing quality job openings in Johnson because of the difficulty of finding affordable housing (for rent or purchase)	11/30/2022 7:18 PM
23	It's hard to answer some of these questions in a survey form (yes/no when there's probably a more nuanced answer) and to be honest I haven't really given much thought to many of them. I understand this is the beginning of the updated plan and I look forward to reading more.	11/30/2022 5:04 PM
24	In my experience, there is a hostile attitude towards change in Johnson. Changes that are made benefit the few, and are always at the expense of the rest of the people in the village. I have no confidence that the same people who allow ATVS on our street are up to the job of making the town more useful and beautiful for all of us.	11/30/2022 10:00 AM
25	Perhaps Johnson could somehow assist in getting rid of or helping abandon looking homes	11/29/2022 11:48 PM
26	The Sherrif's Department should realize that the very college students they harass and lie to will one day be property owning residents who distrust them!	11/29/2022 10:06 PM
27	If we choose more affordable housing, rental units, etc. we need to vet our landlords and our planners / developers from creating more of the same mistakes we have seen elsewhere. Also not letting landlords become slumlords and holding them accountable for the negative impacts they are partially responsible for creating. Railroad street comes to mind, while hard working families along that street have to deal with the uptick in drug related crime.	11/29/2022 8:41 PM
28	The reason for my answer on law enforcement (#25) is there seems to be an uptick in crime here and all over the state. The presence of officers deters criminal and hopefully illegal drug activity. Thanks for putting out this survey. Hope you publish the results.	11/29/2022 8:28 PM
29	I really appreciate this survey. I wish I had more specific recommendations- development is hard because it can make a town more beautiful and enjoyable or it could be what is happening in morrisville right now, which is upsetting to many residents there as well as us. I would dread that kind of low quality, unattractive and not affordable "affordable housing", as well as the loss of green spaces. It's hard to pin point yet has to do with aesthetics, sustainability and intentional development of a larger town / village 'brand' for lack of a better word. I support affordable housing yet want landlords to be held accountable to maintain buildings, etc. I'm not sure how to help more but traveling simply an hour over to Quebec shows that small towns can develop in ways that bring tourism and benefits residents, business owners, etc. We are beyond disappointed by the dollar general & 'get yours'. I don't know how other towns control development in a way that lends years if character, but I wish we could! Thanks to all who are taking the time to work in this!	11/29/2022 7:47 PM

## Town and Village of Johnson Municipal Development Survey

30	I am glad the town has redone the roads, but those roads still need to be kept up in the winter, especially from Johnson to Morrisville.	11/29/2022 6:38 PM
31	Mtn bike trails close to downtown in addition to the whitewater park	11/29/2022 5:40 PM
32	I am a newbie. I appreciate the Romeros for their endless energy supporting the skate park. Certainly Duncan Hastings, Howard Romero and others, as well as Brian Story and Nat Kinney were instrumental in the Ted Alexander Visitor Center build. Jenna's Promising Goods, Jenna's Cafe, Jenna's Promise are all amazing. Thank you Greg and Dawn Tatro. I have watched the transformation of the Barrows Building, Parker and Sterns, and the Catholic Church. So we are on our way.	11/29/2022 5:37 PM
33	Public safety is an increasing issue establishing a local police force in town might help curb drug, vandalism, and theft in Johnson.	11/29/2022 5:23 PM
34	Thank you!	11/29/2022 4:20 PM
35	Would like to see poorly maintained homes/buildings improved. Junk removed.	11/29/2022 3:17 PM
36	Johnson has so much to offer but in recent years the quality of life and safety of outdoor recreation whether it be walking, biking, running, horseback riding etc has deteriorated dramatically. This is due to an increase in noise pollution from vehicles, lack of consideration by drivers and lack of enforcement by the sheriffs department. Johnson residents should be able to safely enjoy outdoor recreation so I hope some of these issues will be addressed. Thank you for surveying the public, I hope you get great responses that assists with your planning.	11/28/2022 9:26 PM
37	I added it with my name, but we feel so lucky to have found this amazing community and want to give back by being an active part of growing us responsibly through community programs, events (I own a event company back west and would love to be a part of creating events in town) and finding ways to connect the studio center artists, the college kids, the elementary kids and the community at large with each other every day!	11/28/2022 8:49 AM
38	Stop wealthy business men and legacy families from forcing their will on all.	11/23/2022 4:28 PM
39	The survey didn't acknowledge the importance of getting broadband service everywhere. It's critical to how development can happen.	11/23/2022 6:04 AM
40	What can be done with the big lot in the center of town...used to be Main Street Auto. The location holds great potential and whatever goes in there can dramatically affect the sense of the village.	11/22/2022 8:50 PM
41	THE ARTS! We need to incorporate the arts and public art into our town plan.	11/21/2022 11:38 PM
42	Thank you. I think this is a conversation starter and should be evolving from this survey. Thank you	11/21/2022 11:31 AM
43	Called the sheriff's department when a child was locked in a car in Johnson. In cold weather. The sheriff's office was very dismissive and stated they couldn't help out and didn't have the tools to help. Public safety that is utilized in our area should be equipped for basic things like lockouts.	11/20/2022 6:08 PM
44	Why are so many buildings in village not taxable	11/19/2022 12:39 PM
45	I just want to emphasize how badly we need housing in this town. My husband and I have been trying to buy for a while and we can't afford anything	11/19/2022 11:47 AM
46	Highway Dept: maintenance year-round on the roads I mostly travel (Clay Hill, Foote Brook, Plot, Cemetary, Railroad, French Hill) are "just right"	11/19/2022 11:37 AM
47	None	11/19/2022 10:36 AM
48	We are new to Johnson, so I skipped many questions, as I feel I just don't know enough yet. We love it here so far! As newcomers, a town "Welcome Pack" would be nice - tell us what's around (parks, services, retailers - they could even add coupons). I'll read about events and it might just have a park name and might not know where that is. Working from home makes it hard to meet people as well. Share other ways to connect - Front Page Forum, etc.	11/16/2022 1:42 PM
49	You have to protect the town from flooding by mitigating the river and commercial buildings	11/16/2022 12:45 PM

## Town and Village of Johnson Municipal Development Survey

50	Want to stress that Johnson should be a destination village.	11/16/2022 9:04 AM
51	We need to find a way to bring more middle class families to town. To do this we need more businesses/industry to attract people to work and live here.	11/15/2022 7:49 PM
52	I truly think there needs to be more police presence and more needs to be done to clean up railroad street.	11/15/2022 7:27 AM
53	We need places to eat!	11/14/2022 10:24 AM
54	I think there should be a conidiation for all town committees and what the taxpayers would like to fund for them/if they are even needed, what about questions for the state's involvement in Johnson and their land (that is a huge down fall in some ways). There should be questions about what the tax payers would like to do with town lands selling some of them would actually be very smart as they town has to much land that it is not able to maintain along with the fact that it depreciates our tax base.	11/14/2022 8:28 AM
55	please, please, don't let Jenna's Promise dominate the village. Nothing against their mission, but we need independent restaurants and shops.	11/13/2022 5:33 PM
56	Our town could certainly use some beautification in the spring and through the summer.Other towns have large beautiful pots of flowers or hanging pots. Also this town got a grant to redo sidewalks, trees , and inlaid brick. I walk this everyday. We have weeds and grass growing near all curbing, between the sidewalks and everywhere between the bricks. The tree grates sometimes have foot high weeds growing up in them. Our village needs some attention as far as beautification. Let's be proud of our town instead of ashamed.	11/13/2022 1:49 PM
57	Johnson needs a focus and a plan to attract commerce to town. Johnson also needs to vastly improve communication!! Events take place and are hardly advertised except on Front Porch almost too close to the date to plan ahead.	11/13/2022 12:15 PM
58	Traffic issues coming off Pearl St, parking areas	11/12/2022 7:08 PM
59	N/a	11/12/2022 2:38 PM
60	There was no write in question about what the town needs for public medical resources. A walk in clinic is needed in town or at least in lamoille county.	11/12/2022 11:55 AM
61	Q: How should the town revolving loan fund be put to good use? A: Let more people know it exists. // Q: How do we attract more restaurants/businesses? A: Advertise the buildings and resources we have available. // Q: Do you think the village and/or town of Johnson need zoning? If so, how much/what kind? // Be transparent and share the results of this survey. // Have someone take do a test run of the survey before sending it out. This text box should grow as I type rather than going in one straight line - it's a challenge to read what I've written. The text box for #3 worked correctly - none of the others have.	11/12/2022 8:56 AM
62	Our town has some areas that need attention. The skateboard facility is in desperate need of attention-the location is not ideal as it is hidden which encourages bad behaviors/ drug and alcohol use. There are some areas on Main Street that also need attention- there's a burnt house that is still in distressed, the old Eldeweis house is very run down, the Hoag / Johnson auto corner needs work. Not a fan of trailers parked on the village green when they are not open very many hours. I'm not sure what the town / village can do to keep the village well kept but it seems there must be something	11/11/2022 9:27 PM
63	seems to be a lot of crackheads pill snorters and junkies moving into town. Is that from the rehab center that just opened ?With that comes crime, like the asshole that kept breaking into the change dispenser at the only laundrymat in town, resulting in them taking it out. Now they're breaking into the damned machines, and soon nobody will be able to do laundry. They're on camera, but nothing is done.	11/11/2022 9:06 PM
64	Corner of RR and Main looks like a junkyard.	11/11/2022 8:50 PM
65	Need more business	11/11/2022 8:36 PM
66	Tuesday Night Live input. Big problems for our family, we didn't go at all this year	11/11/2022 8:12 PM
67	Na	11/11/2022 7:36 PM
68	More police presence, more small businesses. Make more tourist friendly draw money into the town	11/11/2022 7:35 PM

## Town and Village of Johnson Municipal Development Survey

69	Thank you for doing thoughtful work	11/11/2022 7:16 PM
70	nothing	11/11/2022 5:48 PM
71	I really hope that we can help Johnson regain it's identity.	11/11/2022 12:56 PM
