Dear Valued Customer,

The Village of Johnson will need to take a scheduled power outage on Monday September 18<sup>th</sup> at 7:00 AM. In the event of inclement weather, we will have a rain date on Monday September 25<sup>th</sup> at 7:00 am. We understand outages are inconvenient, but this repair work must be completed as soon as possible to avoid an unplanned outage. The outage will only affect the customers on Main Street between the Village Green and the Rt 15 Bridge, Railroad Street and any roads intersecting with Railroad Street.

**You should expect your power to be out from 7:00 AM to 9:00 PM on Monday September 18<sup>th</sup>.**

We will make every effort to minimize the length of time your power is out.

Please let me know if you have any questions or concerns about the work or outage set to take place on these dates.

Thank you,

Village of Johnson
