Oct. 11 written reports: We paid about \$45 for Sept. bills, for Minutes & some flood-related supplies. I need a timesheet from Ashton for July 1 – present. Ronan prefers to donate his time; his 5.5 hrs. of flood recovery work will count toward reimbursable volunteer hours for FEMA.

For Citizen Input: Since stored soil for Half-Pipe project was discussed last month, Howard did a this calculation, guessing that the piles were about 20 cubic yards:

20 cu.yards is about ~4000 gallons of liquid.

That's 540 cu.ft. In square feet, that's 10' x 27' x 2'.
