6:40: Discuss the spring timeline of annual projects: Mini-Grants & Summer flower starter donations. Last year, we started advertising for mini-grants on February 17th. The Johnson Beautification Committee is pleased to offer another round of \$200 mini-grants for projects that beautify Johnson properties that can be easily seen and enjoyed by the general public walking, biking, or driving by. Examples include (but are not limited to) flower plantings, landscaping, new business signage, awnings, public art projects, and external home or business upgrades/improvements. For more details or to apply by March 15, please visit the Town of Johnson website at:

6:50 Review Mini-Grant application

7:10: Revisit the idea of “adopt a flower barrel/planter.”

7:25: Discuss town meeting day: who will be there?
