June 4, 2024

Dear Valued Customer,

The Village of Johnson will need to take scheduled power outages on Tuesday June 11th and Wednesday June 12th. We understand that outages are inconvenient but testing on our main and spare substation transformers indicates that we need to perform this maintenance to avoid catastrophic failures which would lead to prolonged outages.

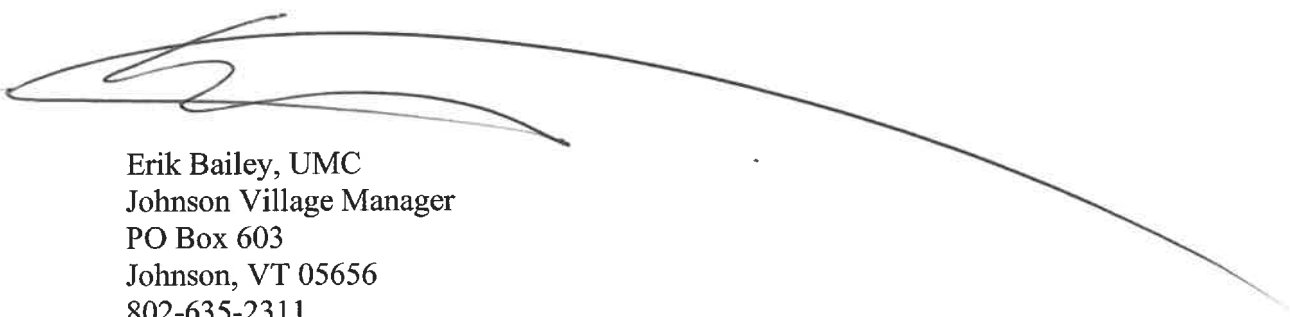

You should expect your power to be out from 8:00 AM to 8:15 AM on Tuesday June 11th and from 8:00 to 8:15 AM Wednesday, June 12th.

If the weather is uncooperative, the outage will be on Thursday, June 13th and Friday, June 14th, at the same times.

We will make every effort to minimize the length of time your power is out.

Please let us know if you have any questions or concerns about the work or outage set to take place on these dates.

Thank you,

Erik Bailey, UMC
